WHAT'S GOING ON IN OUR CLASSROOMS?

INFANT 1

Hello families and friends. We are welcoming in July. We will be closed July 4th and 5th. Hope everyone has a great holiday. We will be learning D and E. We will be working on colors red, white & blue.

Miss Jazmine, Miss Briana & Mr. Aaron

INFANT 2

As we enter July and on to a new month, we will be furthering our learning about the ocean and its creatures. We will then transition into transportation. We will be using more ways of counting. How many legs does an octopus have? How many does a sea star have? Our shapes will be oval and rectangle. Our colors will be black and purple.

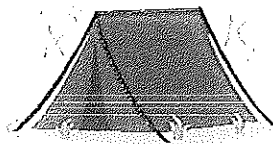

Miss Jodi & Miss Cindy

PRESCHOOL

Hello friends!! I hope we are all finding ways to stay cool ☺ We are still learning about beach / ocean animals and other cool stuff. Now we are going to also learn about going camping and other fun things summer ie lakes/rivers. We will continue to review our numbers 1-20 and our alphabet. Our colors are blue, brown and yellow. We will continue to learn how to stay safe when playing in the water and in the sun as well as what to do if we are too hot. Have fun and we'll see you in August.

Miss Tiffany & Uncle Ryider

TRANSITION

We hope everybody had a great 4th of July! Our class has been having so much fun painting our "summer foods" crafts and learning all about how sunshine is needed to grow plants and different foods! We have been so excited and working hard on using the potty and earning stickers for our sticker chart. Everyone has been making amazing progress! Water play has been keeping us cool in this summer heat! Reminder to come dressed in swimsuits every Thursday with water shoes and a towel ready to have fun!

-Miss Stori & Miss Brandy

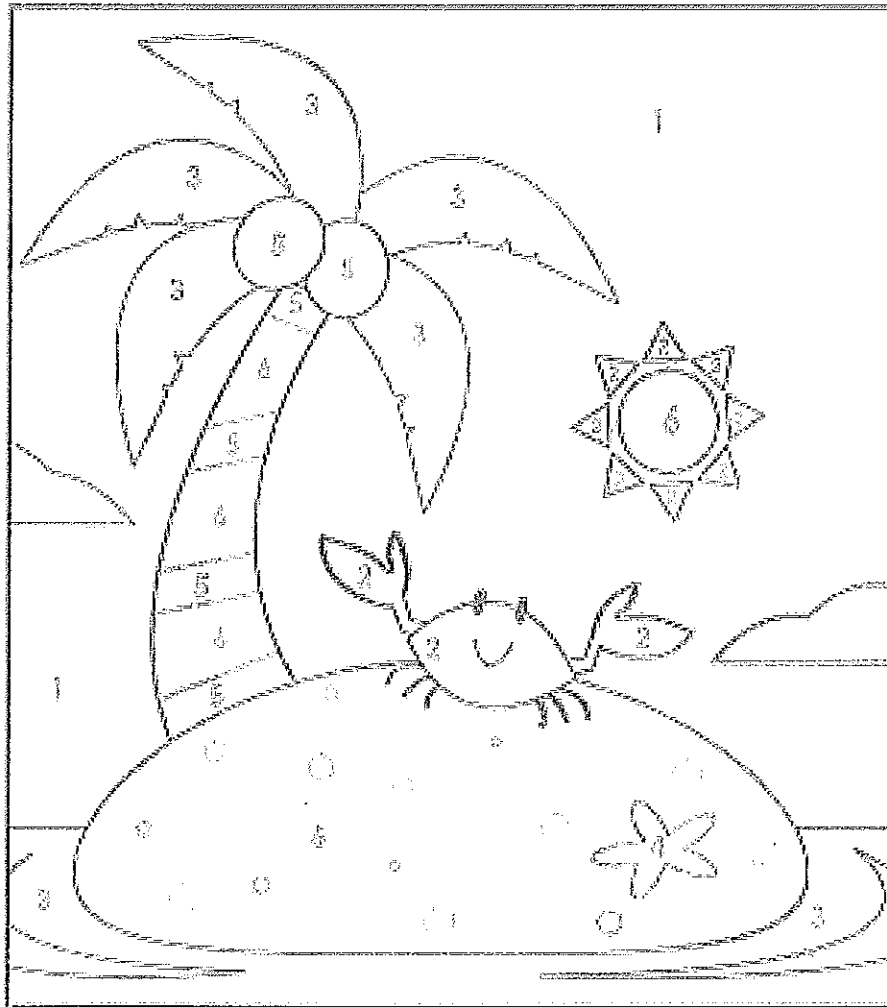

Please call the center before 10:00 if you will be arriving later than 10:00 and you plan to have your child eat lunch here. We have completed our lunch counts by then, and the proper amounts of food will be prepared based on our 10:00 counts.

SCHOOLAGE

Welcome to the month of July! This summer we have been having fun with curriculum. The children have been learning about our garden and they have been able to enjoy eating the vegetables with their lunches. Not only have they been learning about the garden, but the children get to enjoy the movies on Wednesday, water play on Thursday and Friday is ice cream truck day. For the rest of this month we will be enjoying new curriculum each day.
