We will be doing our Valentine exchange and party on Friday, February 14th. All ages will be doing a "wear Valentine color party." Send your child wearing purple, pink or red. Please also send Valentines in with "From: (Your child's name)" written on them. Check with your child's teacher for classroom party times and goodie sign-ups.

SICK POLICY

If your child has been ill with a fever, diarrhea or vomiting, we require them to stay home for 48 hours after the symptoms have stopped (without fever reducing medication). For more serious conditions we may require a Doctor's note to return to care.

Our policy requires pick-up within 30 minutes of being called to pick-up a sick child. Thank you.

INFANT 2

Group A

Happy February Infant 2 families! This month is all about friendship and kindness. We are planning a Valentine's day party to which you will receive a form on the book to bring treats and to list movies you find appropriate for your child. We will also be covering the letters F, H, and L. F is for friendship and Francy fish, H is for Hearts and Honey horse, and L is for Love and Lizzy lizard. All of our letters will be tied into the animals in our zoo phonics curriculum. Speaking of hearts that will be our shape for the month and this is getting into those transition age level shapes. Our colors for this month are red, white, and pink. Also reading stories about friendship and kindness as well as manners towards one another. If you ever have any questions Crystal and Toni are available. Please do not be afraid to bring concerns to us at all.

Miss Toni, Miss Crystal

In February we think about love and friendship. We will be learning about each of our families. We will learn about friendship as well. We will be using numbers 1-5 in counting the people in our families and group of friends. We will learn about the heart shape as well as the square.

Our colors will be red and white. Please spend time exploring our classroom with your child. We have so much going on in our classroom and want to show it off.
